Dear Competitive Dancer,

Here is the dates and times for the Terpsichore Dance Celebration taking place at a new venue: Eastdale High School, 265 Harmony Road N. Oshawa

This competition runs from Friday evening to Sunday night only. All times are approximate and you should be ready to dance 1.5 hours prior to each time below unless it is first thing in the morning as the building will open one hour prior to the event. The competition can run as early as one hour prior to the times below so the dancers need to be present, prepared and practiced before the one hour time limit. It is not acceptable to arrive late and worry your team and teachers.

Please note that if you are not wearing a Can Dance Academy jacket you should not be up accepting the award for the team.

Thank you, Miss Lori
